## Kartplex Rules, Regulations, and Guidelines

At Kartplex, we pride ourselves in providing an authentic racing experience! These are fast karts on a challenging track and your safety, as well as, staff safety, is our primary focus.

Kart racing is a potentially dangerous endeavor. We are committed to allowing you to experience the thrills of wheel to wheel racing our safety systems and policies are in place to minimize any risk. We reserve the right to refuse or remove any driver who is not in compliance with our rules and safe driving standards.

- **Orientation Policy for Young Drivers:** Drivers between eight (8) and twelve (12) years of age must sign up for our “Rookie Racer” orientation course before they are approved to participate in Arrive + Drive rentals or race series.
- **Minor Waiver Policy:** All drivers under the age of nineteen (19) must have a parent or guardian complete the Kartplex release of liability form and/or have it notarized if the parent or guardian is unable to accompany the driver.
- **Drug and Alcohol Policy:** Kartplex maintains a strict zero tolerance policy for recreational drugs and alcohol while on our property. We reserve the right to remove any person that contravenes this policy and remove their driving privileges.

### **What You Need to Race:**

- No experience is required to race our rental karts
- Helmet included with kart rental (Use of personal helmets is at the discretion of the Head Marshal)
- Shorts and t-shirts are permitted
- Closed-toed shoes are required (Sandals will NOT be permitted)
- Driving suits are not required, but are available if you prefer to wear one
- Neck protection is available upon request
- During cold weather conditions, dress appropriately; gloves recommended
- All drivers under 19 years of age require a parent or guardian to sign our waiver
- Drivers with special needs or health limitations are required to meet with our Head Marshal before participating

### **Weight Limit Guidelines:**

Our Arrive + Drive Karts can comfortably accommodate most drivers up to 250 lbs.

There are exceptions to this guideline and the only way we can determine for certain that a driver will be able to comfortably and safely operate the kart is to arrange a seat fitting with the acting Head Marshal or Crew Chief. If you are near our limits or would like to arrange a private seat fitting before you purchase your tickets for any reason, please call or email and we will be happy to accommodate you.

### **Cancellation policy**

Cancellations can be made up until two (2) weeks prior to event date. A \$150.00 cancellation fee will be deducted from any refund. Cancellations due to weather will result in a credit being issued for the full amount of the event, race or session. These credits do not expire and can be used anytime the event can be rescheduled. There are no refunds for weather-based cancellations.
